Hippo Song

Hippo positions hut!

What can make a hippopotamus smile?

What can make him run for more than a mile?

It's not a party with a paper hat

Or a bag of candy that will make him fat

That's not what hippos do

I said that's not what hippos do!

(Chorus)

They ooze through the gooze without any shoes

They wade through the water till their lips turn blue

That's what hippos do

I said that's what hippos do!

What can make a hippopotamus smile?

What can make him run for more than a mile?

It's not a tune on the old violin

Or listening to the sound of the whistling wind

That's not what hippos do

I said that's not what hippos do!

(Chorus)

Camp Southern Ground - Chicken Fried

A little bit of summertime
Camp Southern Ground on a Georgia night
All my friends are by my side
And we're having fun
Tomorrow the sun will rise
But now it's time to close our eyes
Sleep tight in our hearts we find
Where goodness grows

The Remedy- Zac Brown Band

I've been looking for a sound
That makes my heart sing
Been looking for a melody
That makes the church bells ring
Not looking for the fame
Or the fortune it might bring
In love, in music, in life
Pray to be stronger and wiser
Know you get what you give
Love one another
Amen (amen), amen
I've been thinking about the mark
That I'll be leaving
Been looking for a truth
I can believe in
I got everything I need
Let this heart be my guide
In love, in music, in life

Wagon Wheel- Darius Rucker

Heading down south to the land of the pines
I'm thumbing my way into North Caroline
Staring up the road and pray to God I see headlights
I made it down the coast in seventeen hours
Picking me a bouquet of dogwood flowers
And I'm a-hopin' for Raleigh, I can see my baby tonight
So rock me momma like a wagon wheel
Rock me momma any way you feel
Hey, momma rock me
Rock me momma like the wind and the rain
Rock me momma like a south bound train
Hey, momma rock me
I'm running from the cold up in New England
I was born to be a fiddler in an old time string band
My baby plays a guitar, I pick a banjo now
Oh, north country winters keep a-getting me down
Lost my money playing poker so I had to leave town
But I ain't turning back to living that old life no more
So rock...
